Exploring Healthcare in Mexico

June 19-July 3, 2017

Program price: $3290 (including international airfare)
Course fee: $690

Explore the unique opportunities and challenges of Mexico’s healthcare system.

- 14-night intensive journey examining the differences between private and public healthcare while exploring the incredible landscape and vibrant local culture
- Tour the picturesque cities of Guanajuato and San Miguel de Allende
- Visit local hospitals and clinics to learn more about healthcare in this region
- Includes airfare, transportation, accommodations, three college credits, breakfast daily, as well as noted meals

Application and $1000 deposit due by March 1, 2017
